September 2008 - May 2012

LANGUAGES

English

PERSONAL

I am a responsible, hard working, and friendly Canadian. Growing up I've always loved a good puzzle, and that's how I view coding (one big puzzle)! I never shy away from a challenge and am always looking to learn, grow, and improve both as a developer and a person.

```
const whatNext = ( yourOpinionOfMe ) => {
  if ( yourOpinionOfMe === "good" ) {
    console.log(  "please email me at adam.kuhn20@gmail.com" )
  } else {
    console.log(  "thank you for taking the time to review my credentials. And I'd
appreciate any feedback you may have for me." )
  }
}
```
